The fact that the road from and Clifton, is in fine condition for traveling, and the highway ried, approved by a unanimous vote of the board. from Clifton to the valley and terly devoid of scenic beauty, and bring them alive to the opportunity of securing this travel through the Gila valley.

A mass meeting will be held at the result of which, it is hoped, will be a strong organization of business men, as a commercial club, whose object will be to bring the travelers from the East through our beautiful valley on their way to Roosevelt Dam, Phoenix and the coast.

The Douglas Chamber of Commerce has determined to divert to Phoenix. We can beat this if we organize and get busy.

Every business man in the valley is interested in this proposition and should attend this meeting.

THE MOTORCYCLE COP

Beginning December 1st Graham county will have a motorcycle cop on duty for the protection of law-abiding citizens who own autos, as well as the citizen who has to use Shank's mare.

There is great need for an officer on a motorcycle to patrol the highway at night. The autos with one headlight and autos with no headlights are a menace to public safety. Also, the joyriders and speed fiends who make travel at night dangerous on the road between the several towns of the valley.

Something should also be done to stop the use of the spot light and the glaring headlight. It is a miracle that accidents do not occur more frequently from the use of the glaring headlights, which are not needed on any car. There should be a law to preven their use.

The new motorcycle cop, who will be a deputy sheriff, will have plenty to do and he is a much needed officer.

A 50-50 LEGISLATURE

According to a report given out in Phoenix, the next State legislature will be evenly balanced between the republicans and democrats.

In the Senate there will be ten republicans and nine democrats. In the House there will be nineteen republicans and twenty

democrats. The republicans will organize 80 the Senate and the democrats the 808

Graham county will be represented in the Senate by one demo- | 810 crat and in the House by one si democrat and one republican.
